How it is different from .ORG Domain and its services?

In addition to the services offered with any domain name like Hosting, eMails, Server, Security, 24X7 Customer Support etc; Following are the services offered specially for the first time in a web service suite in India.

WEB SERVICES	.NGO	.ORG
Website, Unlimited pages, Hosting, eMails, Server, Security, 24X7 Customer Support	✓	✓
Anyone organization can get the domain		✓
Content Development	✓	
OnGood International Platform listing and Donation widget	✓	
NGO Validation	✓	
e-commerce enablement	✓	
Online Marketing & Social Media Campaign Services	✓	
Access to DEF Network	✓	

Any organization can get a .ORG domain but the .NGO domain is an exclusive identity for validated not for profit organizations. The .NGO domain was specifically designed to help NGOs build their online presence and establish trust and credibility as genuine members of the global NGO community. .NGO is offered as part of eNGO Program and this exclusive online service suite will help improve visibility, raise funds and connect with other NGOs across the world.

I am sure by now you must have hundreds of question about the .NGO Service Suite and how it is going to change your life. So call us on our helpline +91-9891319360 to get further details about this and block your **organizationname.ngo** domain before anyone else books it.

Warm Regards
